Dear Lucian,

I am pleased to inform you that your article, *The Illusory Promise of Stakeholder Governance*, 106 CORNELL L. REV. 91-178 (2020), co-authored with Roberto Tallarita, has been selected as one of the Best Corporate and Securities Articles of 2021.

This list reflects the choices of academic teachers in this area from about 400 articles. The results will be published in the upcoming issue of the Corporate Practice Commentator. This year's results, as well as those for the previous twenty-seven years for which the list has been compiled, can be found on my website at:
